WOMEN'S LACROSSE IS GROWING UNCHECKED.

16 of the top NCAA Women's Lacrosse teams take the field in Nike uniforms on game day, and we believe that's just the tip of the iceberg. High school and youth league lacrosse players are 520,000 strong - a number that's increasing every season. No high school sport has grown faster in the last decade. As the growth continues, Nike remains committed to providing innovative team gear that is engineered to the exact specifications of championship athletes at every level.
