POWERSKIN

THE POWER OF CARBON GOES FLEXIBLE

Outer shell
52% Nylon
47% Elastane
1% Carbon

Inside lining
65% Nylon
34% Elastane
1% Carbon

Men's Sizes:
22-34

Woman's Sizes:
22-34

Strategic placement of low profile bonded seams and elasticized tapes is designed to store POTENTIAL ENERGY, which is released during dives, kicks and turns to maximize efficiency, power, and speed.

EXPERIENCE THE POWER OF CARBON

Outer shell
52% Nylon
47% Elastane
1% Carbon

Inside lining
65% Nylon
34% Elastane
1% Carbon

Men's Sizes:
22-34
Woman's Sizes:
22-34

All the power and speed of Carbon in an externally seamless two-panel construction. Carbon Cage, Intelligent Compression, and Power Return System construction maximize speed and power output for maximum performance.

COMPRESSION MEETS COMFORT

Outer shell
65% Polyamid
34% Elastane
1% Carbon

Inside lining
65% Polyamid
34% Elastane
1% Carbon

Men's Sizes:
22-34

Woman's Sizes:
22-34

Utilizing horizontal Carbon Fiber bands integrated into an ultralight fabric, the Powerskin Carbon Air delivers the benefits of Carbon Intelligent Compression with an unprecedented level comfort and personalized fit.
